EDUCATORS HOLD ONE-DAY MEET ON U.K. CAMPUS

Dean Boyd Is Re-elected Sec-retary-Treasurer by University Association

MEETING ATTENDED BY 150 MEMBERS

Group Urges Enactment of School Issues Before State Legislature

Paul P. Boyd, dean of the College of Arts and Sciences was re-elected secretary and treasurer of the Association of Kentucky Colleges and Universities at the twenty-ninth annual meeting of the organization held here Saturday.

Other officers named were John Howard Payne, president of Morehead Teachers college, president; Dr. R. A. Kent, president of the University of Louisville, vice-presi-

The 150 members attending the meeting, representing 15 senior col-leges of Kentucky and 11 junior colleges, pledged their support to the Kentucky Education association, and passed a resolution urging immediate enactment of the school issues before the state legislature.

An address on "The North Central Association's Study of Standards, given by Dr. R. A. Kent, retiring president, opened the meeting.

"It is nothing short of amazing, said Doctor Kent, "to note the confusion amounting to contradictions, the haziness or even the entire lack that exists in colleges with respect to their objectives."

Other speakers on the one day program were Dr. Charles L. Turck, president of Centre college, Danville; William B. Harrison, former mayor of Louisville; W. C. Jones, Eastern State Teachers college; and J. C. Creech, president of Cumber-

The committee on research made two reports, one by Jesse E. Adams of the University of Kentucky on "The Current Co-operative Experiment," and the other by M. F. Seay, dean of Union college in which 51 research projects, carried along dur-ing the year by eight Kentucky col-leges, were listed.

Kappa Delta Pi Selects Delegate

Ronella Spickard, member of the educational home economics faculty and president of Kappa Delta Pi, honorary educational undergraduate fraternity, was elected as the chapcation of the fraternity, which will the extension department. be held in Cleveland, February 26 to March 1, at the last meeting of the organization Tuesday a f t e r n o o n. Tuesday afternoon. Rufus Bee was elected alternate.

tufus Bee was elected alternate.

Members of Kappa Delta Pi heard will be held in the University Trainan address by Dean W. S. Taylor on ing school auditorium, and the or-'The Value of Straight Thinking." At the business session which followed, plans were announced for a Delta Kappa, honorary graduate educational fraternity, for all contestants of the discussion of the di testants of the discussion and orathird district, Leander Coop, Burkesville; fourth district, Elizatorical contests to be held at the Training school next week. The beth Hatcher, Elizabethtown; fifth luncheon will be in the University

New ROTC Sponsor Rules Announced

Nominations for Sponsorships Must Be in by February 3

Rules governing nominations of R. O. T. C. regimental, battalion, and company sponsors for this year were announced Saturday afternoon by

Major Boltos E. Brewer. Nominations, which must be in before noon, Saturday, February 3, will be by petition by ten men who have made the required academic standing of 1.0 or better. Military instructors will accept the petitions and deliver them to Captain Clyde

Only juniors and seniors in the advanced military course will be eligible to nominate and elect regimental and battalion sponsors, but sophomores will be allowed a vote in the nomination and election of

company sponsors. No one will be permitted to be a candidate for more than one office. In the event a girl is nominated for two or more offices, she will be requested to designate the particular position for which she wishes to be

a candidate Elections will be held late in February.

Patterson Literary society, an English course open to sophomores, juniors, and seniors of all colleges of the University which meets every Monday evening, will again be offered next semester. Doctor Dantzler will conduct the course which will give one credit.

This society was named in honor of E. K. Patterson, former University president, who took a deep interest in it, and left funds in his will to be given as awards to members of the society.

VANDENBOSCH WILL GIVE REPORT AT MEET

Dr. Amry Vandenbosch will present a report on the annual conven-tion of the American Association of University Professors at a meeting of the Kentucky chapter at 7:30 p. m., Wednesday, January 17, in Room 109, McVey hall. A discussion of the State council of Higher Edu-cation, led by Dr. L. M. Chamberlain and Prof. John W. Manning will mplete the program.

RUBY DUNN WINS Y.M. Discussion AT KYIAN DANCE

Junior in Arts and Sciences College Is Member of Alpha Xi Delta

SIX GIRLS ARE NAMED AS ROYAL ATTENDANTS

Winner Is Well Known in U. K. Music Circles as Vocal Artist

Ruby Dunn, Arts and Sciences Junior, Cynthiana was chosen as the 1934 Kentuckian Beauty Queen at the annual Kentuckian Formal held Saturday night in the Alumni gymnasium. Miss Dunn is a member of Alpha Xi Delta sorority and was chosen from among 30 entrants. Her six attendants were: Betsy Frye, Delta Delta; Elizabeth Jones, Kappa Delta; Edna Evans, Alpha Gamma Delta; Bettie Bosworth, Chi Omega; Marion C. Dawson, Kappa Kappa Gamma; and Scovell Bryant, Kappa Kappa Gamma.

The queen was chosen by a committee composed of Miss Juliet Galoway, society editor of the Lexington Herald; Mrs. R. J. Long and F. J. Spengler, of Lexington. Dean T. T. Jones was the official scorer, and Cameron Coffman announced the contestants as they appeared in formal attire in a huge frame to give the effect of a large portrait. Gordon Burns was the time keeper for each contestant's pose.

Photographs of the queen and her six attendants will appear in an early issue of College Humor and other collegiate publications. Ruby Dunn is well-known for her vocal interpretations of popular musical comedy successes offered in the popular "Musical Comedy Moments," program of the University Extension Studios of station WHAS. She is a member of the Women's Glee club, and of the University Philharmonic orchestra in which she plays the violin. Her voice is mezzo-

Two new songs composed by Harrison Elliott, a University student, were introduced at the dance with Andy Anderson's orchestra playing the accompaniment. They were, "Little Girl of the Hills," dedicated to little Miss Mildred Powers Cecil who sang the number, and "Even a Song Must End," dedicated by the composer to Ruby Dunn who was presented with the original manu-

Chaperones for the dance were: Dr. and Mrs. Frank L. McVey, Dean and Mrs. T. T. Jones, Mr. and Mrs. Lysle Croft, Dean Sarah Blanding Dean Sarah Holmes, Mr. and Mrs. E. Dunbar, Prof. and Mrs. Enoch Grehan, and Mrs. Annie Neel

Funds to Carry on Six More Improvement Projects Are Promised to University

\$20,271.65 BEING SPENT

M. J. Crutcher, superintendent of buildings and grounds, has just returned from the Kentucky CWA headquarters, in Louisville, with the promise of funds to carry on six more improvement projects on the University campus. The projects will give labor to 106 men of which 64 will be University students.

The improvements which are to be made include the construction and setting of 300 concrete posts on the campus roadways; the construction of macadam road from east end of the stock pavilion to the east end of the Agricultural Engineering building; and the painting of the interior of the Adminsitration building, White hall, Frazee hall, Alumni gymnasium, Museum, Neville hall, Mechanical hall, Library, Kastle hall, Kinkead hall, Breckinridge hall, Bradley hall, Patterson hall, (Continued on Page Four)

Closes Tonight In UK Commons Annual Group Meetings Will

Be Completed With Banquet

Y. M. C. A. annual discussion groups which were held in fraternities, dormitory sections, and rooming houses, will be brought to a close with the annual banquet to be held at 6:15 p. m. today at the University

Dr. Marion Nelson Waldrip, pastor of the First Methodist church, Lexngton, will be the principal speaker Mr. Harley Smith of the John Hancock Life Insurance company and Clarence Moore, director of the groups, are also on the program.

The group in the north end of Breckinridge hall had the highest percentage attendance during the six weeks period and will be guests tonight. This group was led by Dean Lysle Croft.

More than 470 men students participated in the discussions this year which were based on the book, "The Prophets and the Problems of Life."
Mrs. J. S. Mitchell and her committee from the University Womens club will assist in serving the dinner Music is being arranged by Julian James Miner, president of the Y. M. C. A., will preside.

Leaders of the various groups who will also be guests tonight are: Prof. E. S. Good, Mr. George Vaughn, Mr. James Shropshire, Rev. Wallace Alston, Dr. H. H. Downing, Prof. L. L Dantzler, Dr. J. Holmes Martin, Rev. George Heaton, Dr. Jesse E. Adams, Prof. E. A. Bureau, Dean T. T. Jones Prof. Roy Moreland, Dr. Adolph Bigge, Mr. B. P. Ramsey, Prof. W. S. Anderson, Dr. J. W Manning, Prof. C. S. Crouse, Prof. L. A. Pardue, Mr. Bart Peak, and Dean Lysle Student leaders of groups Croft. were: Israel Weissfeld, Henry Spragens, Richardson Allison, and Ru

The history of the Gratz family and collateral relationships, contained in a set of 27 volumes advanced students, except that the historical papers, typed and printed material, have been deposited with the University by Anderson Gratz, New York, retired financier and fornie Rogers, an alumna of the University and a sister of Mrs. Harry

Considerable original source material, including maps, newspapers, deeds and letters compose the deeds Gratz collection, making it invaluable to students of Lexington's early Included in this collection is Mr. Gratz's publication of a volume of selections of the most interesting facts which took place in

the history of the Gratz family. Henry Howard Gratz, father of Anderson Gratz, revived the Ken-tucky Gazette in 1866 which flourshed until 1903.

The Gratz family is intimately onnected with the pioneer history of Lexington, as the forebears of Mr. Gratz were among the first settlers, coming to Kentucky from Philadelphia. Mr. Anderson Gratz and his brother Benjamin moved from Lexington to St. Louis in their youth, and there became associated with the American Manufacturing company. Following the death of their father, Gratz Park, which was established by Henry Howard Gratz, was presented to the city of Lexington by his sons.

STUDENTS APPOINTED TO ASSIST PROF. WEBB

Harris Sullivan, Horace Miner, and James Russell Foster have been anpinted assistants to Prof. William . Webb who left January 5 to take charge of Archaeological work in ennessee and Alabama.

Professor Webb has been granted six months leave of absence to ake charge of the research work sponsored by the Smithsonian Insti-tute in connection with the Ten-Valley authority and the CWA.

The men who have been appointed assistants to Professor Webb are graduates of the University and were doing graduate work when appoint-

SECOND STRINGERS USED IN TIGER GAME

"Frenchy" De Moisey Scores Twenty Points in Tennessee Tilt

By JAY LUCIAN

Again serving notice on the Southand that they are headed toward another basketball championship, Kentucky's undefeated Wildcats last week-end completed their second successful invasion of the South by easily overthrowing the quintettes of Sewanee and of the University of Tennessee on successive nights. Coach Rupp used his second stringers to trounce Sewanee 55 to 16 Friday night, and the following evening, with DeMoisey and Davis working to perfection, outclassed Tennesse

to win 44 to 23. A coincidence of the two games was the fact that the score at the half in both games was the same 24 to 5. Never threatened, the Kentuckians led by wide margins in both games and were always in com-

plete control. In the Sewanee game the Big Blue machine, mostly substitutes, started noon at 4 p. m. in Memorial hall slowly and somewhat raggedly but soon warmed up into an irresistable smooth-working, high-scoring combination. Tucker took high point honors with 14 to his credit; while

Lewis was second with eight points. Sewanee's desperate attempts to work the ball into scoring territory failed because of the close work of the Kentucky guards. DeMoisey and Davis went in for a few minutes toward the close of the Sewanee

game. points respectively. Davis was in Admission to the baccalaureate fine form and, except for being weak second half when he became tired

and lost form. The second half of the game was nore eyen, Kentucky scoring only two points more than Tennessee. Anderson did an outstanding brand of guarding for Kentucky, constantly breaking up Tennessee's passes and holding his man scoreless. His excellent work extended back through the Sewanee game, all the way he held his man to one field goal while scoring five points for

Lawrence did a good job at his forward position, and Lewis held up the center position in great shape Moisey in the second half.

himself.

PLEDGES MUST

New Rule, Adopted by Interfraternity Council, Sets Deadline for Registration at 5 p. m. Today

Fraternity pledges who have not istered in the office of the Dean of Men by 5 p. m. today will not be considered officially pledged and may be rushed by any organization, according to the provisions of the plan for official registration of fraternity pledges, passed by the Interfraternity council at its last meeeting, Monday, January 8.

Fraternity rushing next semester will officially begin with school registration and will continue until Tuesday, February 6. No student may accept a pledge pin until af-ter 8 p. m. of the seventh day of regular class work, which will Tuesday, February 6. Registration of new pledges will

be held on Wednesday and Thursday, February 7 and 8, in the of-fice of the Dean of Men.

All pledges of social fraternities who have not registered in Dean Jones' office must do so today.

Students Submit Feature Articles

Articles, written as term papers by 30 members of the feature writing class in the journalism department, have been submitted to var-ious magazines for publication pur-

The submitting of the articles was planned as the culmination of the classroom work which has in-cluded a study of markets for original articles, as well as a study of the methods of feature writing. Stories ranging in type from

"Confessions of a College Co-ed" to "Herrington Lake, Pisherman's Paradise," have been sent to periodicals such as college magazines, "The Lades Home Journal," sportsmen papers, humorous, and even discussion type magazines.

GENTLEMEN OF TWO KINDS

A flagrant attack upon the student body of the University, as regards the school spirit of that group, was was written by a local sports editor of a Lexington newspaper and printed in that person's column in last Sunday's edition. The writer reminds us of a small boy who places a chip upon the shoulder of in student affairs.—Montana Exone combatant in a boyish fist fight and "dares" the other lad to knock it off, the gesture meaning to indicate a willingness to join in the fight. 'If that is the editor's intention, then let him consider that chip swept off without hesitation

thesis in his article the following fornia must undergo two weeks of paragraph: "The Kentucky Kernel football training; one week in the probably will write another editorial line and one in the backfield. This calling us all kinds of dirty names." seems to be overstepping the bounds Well, now, isn't that just too mean somewhat: still, something of the for words! The mean old college principle might be applied at Kennewspaper calls the sports editor tucky. 'dirty names." Just another gentleman that "can't take it" but finds no trouble in writing into his column much matter that may be disputed.

The Kernel has no intention of calling any persons "dirty names" and the editorial written several was reinstalled and should have weeks ago certainly called no person been of some value in finding potena name that could possibly fall into tial players. that category. The newspaperman referred to is a true Southern gentleman, a scholar, and one who unquestionably is gifted with a facile pen in his particular branch of newspaper work. He has a winning personality which has led him to become justly popular with all persons with whom he has come in contact.

All of this is doubtless true. But The Kernel is not dealing with personalities in this case but with a tically void of "school spirit." Are many cases, because a student fails principle and a tradition of the University of Kentucky. That principle lying down, or are we going to do his jokes when they are not funny, is loyalty and the local writer is something about it? If we are going etc., he grades their papers as low attempting to blast the belief that to do something, it's got to be more as possible. such a principle as loyalty ever exist- than simply denying that what varied on the University campus. The ous people have said is true. Kernel, as a student newspaper, is It's up to us to show the public at one else, or who fails to inform if pledged to maintain the rights of large that what these persons have he sees cheating. However, both the students at all times. We are been saying is false. of the positive conviction that an It is true that during the past unjust attack has been promulgated year or so some of us have gotten with no apparent justification upon into the habit of "griping" because the part of the sports editor.

We've school, but so that you will learn to earnestly believe that the results got it in us, let's do it! will conclusively prove the local newspaperman wrong in his state-

This editorial is written with the one desire to protect the student body from unjustifiable attacks perpetrated by writers who take delight in making caustic remarks upon subjects of which they know little. We sincerely hope that no person is offended or "hurt" by this article as we have no intention of "hurting" anyone. If any group has been "hurt," it surely is the students of the University and it is they who should demand a formal redress. But, no, they would be the last persons to desire such amending of a wrong. For they "CAN take it" and they ARE gentlemen!

GET IN THE GAME

The leaders in the classroom are not always leaders in the business world. A recent survey made of the graduates of the University of Michigan shows that the members of Phi Beta Kappa, national honorary average of \$3,000 annually, while students who were active in campus activities are annually earning an average of \$10,000.

This is not published with the view of discouraging scholastic ideals, for the student who gains recognition scholastically is as great as the student receiving glory on the gridiron. It is published to encourage students who are not luminaries scholastically to take part in student activities and impress upon the great number the benefits to be obtained from student associations and activities.

In practically every school activities are carried on by a few who are "in everything." This is not only at the expense of the acitvity and the rest of the student body, but the student himself. Activities are really a part of the college curriculum. If properly distributed they will show a great advantage to a large number. When confined to a few, the law of diminishing returns gets into effect and everyone is cheated. Do not get over-loaded with activities necessitating the sacrifice of the scholastic side, but on the other hand, no student is doing himself justice by not taking an active part ponent.

COME OUT FOR FOOTBALL

With considerable astonishment we read recently that every male This sports editor places in paren- student at the University of Cali-

> Certainly if a man does not want to play football it is impossible to make him do so in spite of all the requirements; nevertheless, some system should be incorporated to seed out material from the masses. This past fall intramural football

There is without doubt a number of men in school right now who are capable of playing football, who have not come out heretofore because they felt that they had little or no dishonest. For instance, many stuchance of making the team. These men, many of them, will report for practice this spring if properly urged, and may not only just make the squad, but be first class players.

We, the student body, have been accused several times of being prac- Perhaps he shows favoritism. In we going to continue to take this

THE NEW ELIGIBILITY RULING

The new eligibility rule recently passed by the University Senate was principally for the expressed purpose of reducing the extraordinarily large percentage of students semi-annually placed on probation in the University. This rule provides that a student must pass at least threefourths of the normal load required by his college the preceding year, or if a new student, must have passed three-fourths of the normal load in the preceding semester and must be carrying 12 credit hours of work.

This is a worthy purpose, and doubtless the rule will accomplish its purpose. However, there is also included within the new ruling a clause which abolishes the requirement of a standing of one for extracurricular activities and initiation into fraternities. This, in our humble estimation, is going a step too far. A student may remain in school and go to classes for three years scholastic fraternity, are making an without a standing of one, but there should be some standard or requirement for extra-curricular activities.

One of the purposes of fraternities and activities is to encourage better scholarship. However, with the new ruling, any one making D's in threefourths of his load may be initiated into fraternities and enter other activities. Why shouldn't it be a better arrangement to have a standing of one, the requirement for graduation, also apply to activities and fraternities?

It is to be hoped sincerely that if the University does not adopt this plan, the organization and fraternities should place it upon their own list of requirements for membership.

CHEATING ON EXAMS

Cheating on examinations is a serious matter, and one upon which it is difficult to write. So many factors enter into cheating and it is so prevalent in some form or another that it has come not to be regarded as dishonesty in many instances.

From this feeling, the greatest danger arises. It is distressingly one has continued such habits for once, then twice, and for the habit.

position. He sees those who have point. who have done much less work, rewhen the curve system of grading is raised their grades to equal his by cheating.

Some students seem to be inherently honest. Without thinking about the reason, they find themselves unable to do a dishonest act. This is the ideal attitude. However, it is quite rare. More often one finds a student who wishes to be honest when honesty and fairness are synonymous but who can be influenced by outside factors to be dents cheat in one class when they another. They go through the year unfair. Time after time some action of his takes advantage of a student. to cater to his opinions, laugh at

Much blame is placed by authorities upon the person who aids somethese things are understandable if

Kernel

Because the action of the Senate. in changing the scholastic requirements which a student must meet in order to stay in school, has not met with the whole-hearted support of the student body, I am writing this letter.

This is distinctly a letter of protest. The action of the senate cannot but be regarded as a step backward in the attempt to raise the plane of the educational program of the state. That such a step should be taken by a state university is most unfortunate. Already scholastic requirements are sufficiently lax that no serious effort is required on the part of the student until the last two weeks of the semester. Consequently, the student is insufficiently challenged to put forth his best effort.

Although the new ruling may accomplish its purpose of reducing the number of students who are in school on probation, the remedy will be a mere surface thing, not touching the real problem. By lowering data concerning former students the class agreed. But the why of the standards which have been set,

ower the number of students on have comprehensive study. probation, and will make possible the eligibility of a larger number of prizes. Contest to obtain subscripathletes in the University, I maintain that it has failed to touch the problem fundamentally and that the result will be further deterioration of educational standards where they already are sufficient low.

The proper remedy for the entire situation of poor scholarship at the University would be the raising of the level of secondary education, with the attendant result of securing students better prepared for the training and discipline which four years on a University campus could

At present the lowering of requirements can scarcely result in an increased attempt on the part of the student body to maintain creditable

Scandal Snickerings By CAMERON COFFMAN

To Alphaxi Ruby Dunn, newly elected beauty queen, we toss the rose...Her honor speaks for itself... Which we hope this mythical corsage will serve the purpose of the one you were supposed to receive at the dance Saturday night...Yes, Ruby, your flowers failed to arrive for the presentation after your election.

We believe that the election of this petite Alphaxi blasted all suspicion that the beauty contest was framed...It was whispered around the campus during last week that the winner had already been de upon...It was also said that the Tridelts were to receive the winner as their share of the political spoils. Well, the Tridelts did crash through with one attendant...but it was deserving...as were the other atten-

. . . While we are on the subject of rose girls, it seems that Tridelt Scotty Chambers actually received her rose after last week's introduction. It seems that some of the younger members of the Phidelt chapter formed a lock step parade, which was led by pledge Ike Van Meter, who carried a lighted candle...the procession proceeded to the drug store where they presented a large rose to Scotty.

Silence in the Court

It seems that several days ago our friend, Kappa Nell Duerson, toured off to the Federal court with several potential lawyers to sit in on a session... They happened to arrive just as the judge was in a solemn mood of pronouncing sentence on some unfortunate..Well, what would Nell do but upset a seat, which clattered and banged its way to the floor? Well, Nell, you stopped the judge. didn't you? . . .

"Give Him Twenty Years"
Down at the Phidelt domicile there is a law suit under negotiation...Brother Virgil Gaitskill is suing Frater Frank Lebus for "alienation of affection"...Tridelt Betty May, popular freshman from Paris, is the girl...John L. Davis is the attorney for the defense, while Phil Ardery will atempt to prove that he is wrong... 'Tis said that Ardery recently found a blonde hair on Lebus' coat and it will be held as circumstantial evidence against him... (Betty is a brunette)... If this evidence is not substantial the prosecuting attorney will attempt to place charges of the "Perpetual criminal against Lehus ... (You see. 'tis said that he has been guilty of the

Agriculture Profs Attend Convention

Dean Levi J. Horlacher, Dr. H. B. Price, and T. R. Bryant, all of the College of Agriculture, attended the annual convention of the Kentucky Farm Bureau federation, which was held Wednesday and Thursday, January 10 and 11, at the Kentucky hotel in Louisville.

Mr. Bryant presided at the morning session Wednesday and spoke Phi Delta Kappa at 1 p. m. on the subject, "The College and the Farm Bureau." The principal speaker of the first day's rogram was J. B. Hutson, graduate of the College of Agriculture in 1917. who is at present chief of the tobacco section, Agricultural Adjustment Administration. Mr. Hutson gave a discussion on "Productive Control and Parity Prices."

During his talk Mr. Hutson pointed out that, considering the tobacco situation as a whole, it has been found that the receipts from the sale of all types of tobacco declined from approximately \$286,000,000 in 1929 to \$105,000,000 in 1932. He declared that this decline, which affected the tobacco growers during the three years, resulted in an acute situation.

Lampert Prepares Musical Program

Prof. Carl Lampert, head of the music department, announced today that the University Philharmonic orchestra is preparing for its next objective, a program consisting of French music which will be presented sometime next month.

The program will include numbers such as the late expression by Raval, a music somewhat inspired by the jazz era.

Tom Scott, a University student, will appear also on the program in one of his own compositions, and John Shelby Richardson, a young man who has already won the esteem and respect of Kentucky audiences, will play a concerto for piano by St. Saenes. This is a work which is also very modern in

Professor Lampert stated that the Men's and Women's Glee clubs are preparing a presentation of the Elijah by Mendelssohn. This is an outstanding contribution in the field of oratorio, and will be pre-

Among the blouse sweaters are a white knit month. with a turtle neck and a green crocheted knit whose front is will be held in conjunction with cream and two green squares. Coat sweaters are of wool with silk knit sweater set is a rich brown coat and a bright yellow blouse. These come with high or cutout necks, with tabs and with bows.

They tell me at Wolf Wile's cosmetic counter that one now buys make-up to suit the dress. Elizabeth Arden has gotten out a chart which gives eight of the present fashionable colors and the correct shade of cosmetics in her products Exactly twenty-seven thousand Parenthetically, this line includes ards of adhesive tape and six hungirls with red hair. Wolf Wile will chased by Louisiana State Univer-sity for use on its athletes during are interested. And if you are doubtful as to the best shades for

yourself, they will take you to a special room where they try the various shades and tell you how to put them on with the best results.

Good Housekeeping says that fur erets and brimmed hats turned back off the face are smart. In a Boston paper one writer said, "Evening dresses tend to make the wearer look as though she were standing at an open window on a windy night." Longers and more rippling trains, capes, and drapes give this effect.

In a recent number of the American Medical Journal statistics were quoted to show that the general health of college students was falling from the standards of some years ago. Research over a numper of years revealed that students health grew worse during the years spent in school.

With their money safely tucked in stockings and with stove pokers handy, twenty co-eds in cooperative cottages at the University of Minnesota stayed up all night last week, waiting for the prowlers who have burglarized the other four cooperative cottages within the

CPADDOCK ?

Coach Chet Wynne has at last arrived in town and is getting acclimated. It would be rash at this time to prophesy anything for next year and we have not asked the coach to commit himself. The new mentor expressed himself as being well pleased with the attitude of the football players he has met so far.

It's the hope of Wynee that every man who likes to play football will come out, and he believes there are more in school that can play football, who have not come out heretofore.

American Medical association.

He has not set a definite date for the beginning of spring prac-tice; but intimated that it would begin by the middle or latter part of February. His assistants will not be appointed for a few days yet, but will, of course, be made before the beginning of spring training.

After the defeat of the Tennessee Vols by the Wildcats Saturday night, it looks very likely that the Cats will enjoy another successful season on the court. In all of their games of the season should draw capacity crowds. The Cats are very consistent in their playing, whether the varsity or reserves are on the floor. Against Tennessee and Sewanee the reserves did most of the playing in the latter part of the games and in the Sewanee tilt several reserves began the game.

The power of the reserves is indicative of the strength of any team. "As the subs go, so goes the eam," is an old saying of coaches. If that is true, then the Cats will be hard to beat as their reservesnotably Settle, Jerome, Lewis, Potter and Berkely Davis—are fine And next semester Glenn Mester will be eligible and will beat one of these boys out for a place on the tournament squad if they are not extremely careful.

The Cats will go far this season, barring mishaps, and will probably enter the tourney as co-favorites Wednesday morning by Arthur J. Cramp, special investigator for the with Alabama and Louisiana State. The outcome of the Cats' two frays with the Crimson Tide will give the experts something upon which to base their claims, but we still believe the Cats are just about the cream of the crop in this end of the conference, if not of the whole

Coach Rupp has been handicapped during the past week or two by the condition of the floor in the Alumni gym. It was freshly painted during the Christmas holidays, and after several dances had been held on it, it became as slick as glass and the players could not stand up on it at all. Whoever has charge of the floor should do something to remedy this, as a good floor surface is necessary for the production of a good team.

Then, too, whenever it rains, the of the basketball building leaks in several places and during the Cincinnati game buckets had to be placed to catch the water. Surewith all the CWA labor available to the University, a crew could be put to work on the roof and fix it, temporarily at least.

inarians, beekeepers, and rural pastors, there will be general sessions for farmers and for homemakers throughout the four days.

New Coach, Now in Lexington, Expects to Begin **Spring Practice First** of February

MEETS FOOTBALL MEN

Chet Wynne, recently elected head each of the Wildcat football team, has arrived at the University and is making plans for the 1934 grid aggregation. Wynne will be joined by his family early in February, when he expects to begin the annual spring football practice drills,

Before coming to the University, Wynne held coaching positions at Creighton university and Alabama Polytechnic institute, where his teams enjoyed phenomenal success The appointment of assistant coaches will be considered by the new coach for a few days and he will announce his choices early next onth in time for him to get them lined up for spring practice.

epairing of the interior and roof of Coach Wynne has been asked to peak at several local luncheon clubs and will make his first public apbuilding; the widening of the en-trance to Maxwell Place, and the earance in Lexington tonight at the annual dinner of the Lexington construction of a macadam walk from Limestone street to Memorial Board of Commerce at the Phoenix hotel where he will speak on the new football deal at the University, Yesterday at noon the new mentor met the members of the football squad

at a luncheon in the Commons. A former star at Notre Dame Wynne will use the system made famous by Knute Rockne which is very complicated. Practically the entire spring practice period will be given over to adopting the new

Freshman Basketball Team Defeats Williamson, 34-21; Swamps All-Stars by Score of 44 to 22

By NORMAN GARLING

Coach Len Miller's Kitten basceteers added their fifth and sixth victories to the season's win column ast week when they defeated the Williamson West Virginia High school team Friday night by a score of 34 to 21, and swamped the Fritz Brothers all-stars Saturday night to the tune of 44 to 22.

The Williamson team, coached by the former Wildcat star, Ellis Johnson, kept the Kittens fairly well in hand during the first half, but in the latter part of the second half the yearlings broke loose with a barage of baskets, due to the alertness of Edwards, Indiana's all-state representative on the Kitten team.

At the end of the first quarter the score was tied 4 to 4. The Johnson men began the second frame by going into the lead, but Edwards tied the score, after which the Kit-tens took a 14 to 10 lead.

In the third period the West Virginia lads came back to take the lead, 15 to 14, but this was soon overcome by the yearlings, who at the end of the period were leading 24 to 17. They kept their lead until the end of the game.

The Kittens came back strong again Saturday night, and, at the end of the first quarter, in their tilt against the all stars, were leading by the overwhelming score of 22 to 17. Coach Miller sent in a swarm of substitutes, who kept the lead at 23 to 8 as the half ended.

The remainder of the game was merely a walk-away for the Kittens, and not once during the entire secand half was their lead in danger. The severe trouncing which the yearlings gave the all stars was

omewhat of an upset, inasmuch as they were accounted to have a team that would equal many professional outfits. Edwards was high point man for

both games, scoring a total of 39 points for the two nights' play. Carlisle, the Kavanaugh flash, ran second with a total of 19 points

CORRECTION

The Kernel wishes to correct an error which inadvertantly occurred in the Friday, January 12, edition of the paper. The statement that commencement would be held Jan uary 19 was incorrect, and should have read, commencement will be held January 26 The Kernel is glad to make this correction.

t means thing Somelhi TURKISH TOBACCO hesterfield

.. that Chesterfield has a modern up-to-date Tobacco Factory in far-off historic Smyrna

> So important is the handling of Turkish tobacco in making Chesterfield cigarettes that Liggett & Myers Tobacco Co., maintains this specially equipped plant right in the heart of the famous Smyrna tobacco section.

It is the largest and most modern tobacco factory in the Near East.

Turkish tobacco, you know, is the best "seasoning" there is for cigarettes. At all times Chesterfield has in storage - at this plant and in America - about 350,000 bales of the right kinds of Turkish tobacco.
